Bali at Avalon

*Intimate weddings and
elopements*

Escape to Bali, without leaving WA

THE PLACE

Welcome to *Bali at Avalon*

Just an hour south of Perth, five minutes from the Indian Ocean, you'll find a hidden Balinese-style oasis. When you arrive, the gate closes behind you and the rest of the world fades away. From that moment on, you are the centre of our sanctuary.

Walk the gardens and you'll pass frangipanis and palms, flowing ponds, and carved stone statues around every corner. There's somewhere to sit everywhere you turn – the shaded verandahs, the gazebo, and pool decks made for lazing away a sunny afternoon, with tropical garden right by the water's edge.

Stand still for a minute and you'll hear the gentle trickle of the fountains, the ocean rolling in behind them, and the soft whisper of wind through the trees. Somewhere there's incense burning, and it even smells just like being in Bali.

Walk a little further and the villa comes into view – your private haven tucked away among the greenery. In the morning, open your door onto the garden, with the joy of the day before still lingering in the air.

This is the kind of place people imagine when they dream of a tropical wedding in Bali: lush gardens, shimmering water, ocean air, and the ones you love most gathered close.

Except there are no flights, no hurried transfers, and no need to leave the magic behind. Here, you can exchange your vows in the garden, celebrate beneath the stars, and retreat to your own private sanctuary – all just an hour south of Perth.

YOUR WEDDING AT BALI AT AVALON

A day that unfolds in *one beautiful place*

Bali at Avalon offers a wedding day that unfolds in one beautiful place – from your ceremony and celebration with your favourite people, to the quiet of waking there together the next morning.

Choose a morning ceremony, when the light is soft and the garden is quiet. Or exchange your vows late in the afternoon, when golden hour paints the garden in dappled gold and fills the gazebo with warm light.

After the ceremony, you gather on the poolside decks with the people you love most. If your ceremony is later in the day, festoon lights glow overhead as the daylight fades.

By 8pm, the evening draws to a close and your guests make their way home. The garden settles into stillness again, with only the gentle trickle of the fountains, and the villa becomes your retreat for the night. Your honeymoon begins without a suitcase to pack or a journey still ahead.

Last night, the garden held everyone you love most. This morning, it holds just the two of you — and the first moments of the life you have begun together.

ABOUT YOUR CELEBRANT

Your ceremony is led by Robyn Paterson *of Celebrant in Style*

Robyn's ceremony is included in both packages. If you'd like something more personal, or would rather be married by someone you already know, there are two ways to do it.

PERSONALISED CEREMONY

Robyn can also work with you to create a fully personalised ceremony at an extra cost of \$225 to The Elopement, or \$125 to Share the Love.

BRINGING YOUR OWN CELEBRANT

If you'd rather choose your own celebrant, you're welcome to. Get in touch and we'll send you an updated quote with the celebrant fee removed from your package.

THE CEREMONY SPACES

Four places in the garden, *each with its own character*

The Gazebo

The heart of the garden and the place that holds your whole day, both ceremony and celebration, no matter the weather. A Bali-inspired gazebo on a raised deck. You and your guests look out over the pool, with the gardens all around you. The festoons come on in the mature Flame Tree as the daylight fades to night.

UP TO 10 GUESTS · SEATED OR STANDING

The Temple Garden

Intimate and densely planted, and the one to choose if you want to be enveloped in greenery as you say your vows. In one corner, a Balinese temple sits quietly among the planting, and saying your vows beside it gives the moment extra significance. A wooden pergola strung with climbing vines frames it all overhead, so there's no arbour to hire and nothing you have to bring.

ELOPEMENTS & SMALL CEREMONIES · UP TO 6

The Frangipani Walk

A stone walkway through the centre of Bali at Avalon, and the most beautiful stretch of garden to walk through. The curved path is lined with garden in every shade of green, and frangipanis meet overhead to make their own arbour. Walking it feels like being led into paradise.

STANDING CEREMONIES · UP TO 10 NEARBY

The Gateway

A gateway marks where one thing ends and another begins, which makes it a fitting place to promise someone the rest of your life. Coconut poles line the space like columns, drawing your eye to a large carved gate that frames the two of you. Serene ponds sit either side, their mirrored surfaces dancing with reflections of the surrounding garden. It's undercover, so you can start your next chapter here rain or shine.

UP TO 10 STANDING · 4 SEATED

A FIFTH OPTION · OFFSITE

The Ocean Lookout

For those who want a larger ceremony, there's a fifth option, not far from our front gate. An elevated lookout under tall pines, with lush grass beneath your feet and nothing between you and the Indian Ocean but the beach below. It's intimate enough to still feel like yours, and big enough for everyone you want there.

Say your vows overlooking the water, then bring up to 10 of your closest people back through our gate for the rest of the day. The lookout can be booked directly with the City of Mandurah, and your hours with us start when you arrive back. If you'd rather we handled the timing across both places, just ask and we'll put a quote together.

WHY BALI AT AVALON

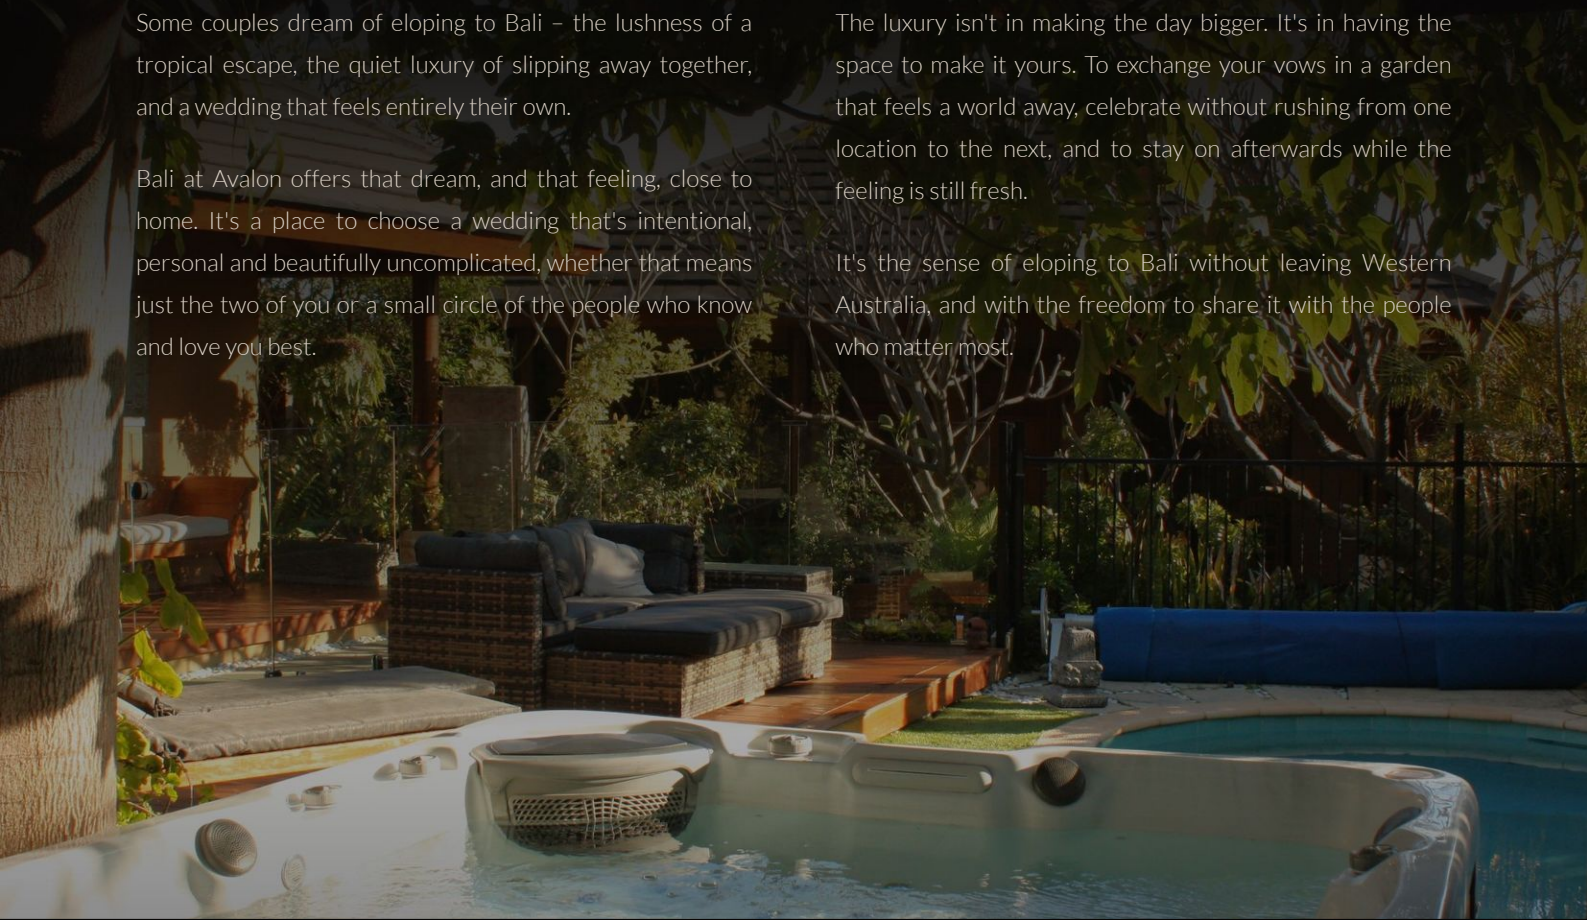

The dream of eloping to Bali, *close to home*

Some couples dream of eloping to Bali – the lushness of a tropical escape, the quiet luxury of slipping away together, and a wedding that feels entirely their own.

Bali at Avalon offers that dream, and that feeling, close to home. It's a place to choose a wedding that's intentional, personal and beautifully uncomplicated, whether that means just the two of you or a small circle of the people who know and love you best.

The luxury isn't in making the day bigger. It's in having the space to make it yours. To exchange your vows in a garden that feels a world away, celebrate without rushing from one location to the next, and to stay on afterwards while the feeling is still fresh.

It's the sense of eloping to Bali without leaving Western Australia, and with the freedom to share it with the people who matter most.
